

**Notice to Skippers**  
**No. 76 /26.05.2021**

Skippers are informed that starting on 31.05.2021 until 19.06.2021 the navigation shall be completely closed on the maritime Danube at Km 165+800 due to the lifting/mounting works of the temporary gangway cables on the main opening of the future bridge across the Danube in the Braila area.

The works on the above mentioned maritime Danube sector for which it is necessary to close the navigation through the area take place from Monday to Saturday (6 days / week) between **08<sup>00</sup>-11<sup>00</sup> and 13<sup>00</sup>- 16<sup>00</sup> hours.**

The following ships participate in the works:

**AG1 pusher,**  
**Fox 1 tug-boat,**  
**1000 tons barge with the necessary equipment for the works.**

The ships shall be signaled during day and night-time according to the “Rules of Navigation on the Danube on the Romanian Sector” – 2013 edition and are equipped with transceivers for radio communication using the 16 VHF channel.

The anchorage areas for upstream navigation shall be set and communicated by Galati Harbour Master’s Office while the downstream anchorage areas shall be set and communicated by Braila Harbour Master’s Office.

Skippers of vessels and convoys transiting the area shall contact Galati Harbour Master’s Office and Braila Harbour Master’s Office in order to obtain information regarding the anchoring conditions as well as about the stage of the works.

Failure to observe the provisions of the present Notice to Skippers entails administrative, disciplinary or penal responsibility, as the case may be.
